A central collection area decorated with baby items is a great way to keep the drive in everyone’s mind. A playpen, crib, or large box covered in baby gift-wrap works great.

Get your diaper drive started with a high profile kick-off event!

Give us a call if you have any questions and when your drive is completed.

**Schools**

Collect pennies or other coins. Some schools collect all kinds of change, but sometimes it's fun to restrict the collection.

Have Events. Many middle schools opt out of collecting diapers, but opt in for having a dance, bake sale or other event, with proceeds going to The Diaper Bank of Connecticut.

Hold a Contest. Contests & challenges work between classes, between grades, and from faculty to students.

Use the concepts of poverty and philanthropy in your lesson plans. Discuss the cost of raising a family, minimum wage, the cost of diapers and other necessities as part of a family budget, and the importance of education. Teach your kids about how they can make a difference in the life of someone they don’t even know.

**Companies**

Have inter-departmental competitions. Give the winning department a pizza party.

Advertise in your company newsletter. Send out fliers, paycheck stuffers.
Have a Virtual Diaper Drive

We are also able to offer individuals and groups the option of a Virtual Diaper Drive, which is an internet-based drive that allows supporters to make monetary donations to The Diaper Bank to purchase diapers in bulk at a reduced rate.

Why host a virtual diaper drive? The answer is simple - to get more diapers for your money. Since we purchase diapers in bulk, our dollars go farther than yours would at your grocery store or outlet.

It's fast. It's easy. It's fun, and it helps more people in need . . . give us a call to find out more about how to host your own Virtual Diaper Drive!

Here’s what it looks like:
